

NOTICE OF A PROPOSAL

By Southgate Solar LP to Engage in a Renewable Energy Project

REVISED FIRST NOTICE OF FIRST PUBLIC MEETING

To be held by Southgate Solar LP regarding a Proposal to Engage in a Renewable Energy Project

Project Name: Southgate Solar Project

Project Location: Within the Township of Southgate in the County of Grey.

Dated at: The Township of Southgate the 16th day of June 2014.

Southgate Solar LP is planning to engage in a renewable energy project, in respect of which, the issuance of a renewable energy approval (REA) is required. The proposed Southgate Solar Project would be located on multiple privately-owned parcels in the Township of Southgate, in the County of Grey.

The distribution of this notice of a proposal to engage in a renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act* (ACT), Part V.0.1 and *Ontario Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the *Regulation* prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 3 Solar Facility. If approved, this facility would have a total maximum nameplate capacity of 50 MWac. The project location is described in the map below. All components will be located within the project boundary area as shown in the map.

Documents for Public Inspection:

This project is being proposed in accordance with the requirements of the *Act* and *Regulation*.
